	Joe Crossley		Liverpool Geological Society
	Susan Spibey		Merseyside Civic Society
KB agreed to take notes			There were three apologies

## **Initial discussion**

The Forum web site was now up and running and some members have added information. All member groups should aim to add information.

It was hoped to have lists of events being held by member groups made available to the Forum by e-mail by the end of March. This will now be discussed in more detail at the next Steering Group meeting.

City Council have invited Forum and others to a Reception at Liverpool Town Hall in July. Details to follow. Opportunity to display members information.

Event being held at Anglican Cathedral on 2nd July celebrating 125 years of Anglican Diocese.

"Delivering a Heritage Strategy for Liverpool" from Graham Boxer was issued by AP. Forum is shown linked to established City organisations.

## **Meeting**

Mike Corfe thought our objectives were too vague, this was noted.

Member groups with web sites could have these linked, sensitive and private information would be protected. This would be available to member groups initially but to the public eventually and would show forthcoming events.

A one page information sheet listing our members and their objectives to be compiled, this to be available on screen and possibly in paper form for display at selected outlets. Members to be asked if they wished to participate

Other groups outside the Forum are compiling lists of buildings etc. Do they want to share this information with us, should we contact them.

Liverpool Culture Company could be asked to assist in funding the Forum's meetings.

It was proposed that all member groups meet three/four times per year starting in the Autumn, guest speakers could be invited. The Steering Group would meet more frequently. The Athenaeum could host in the immediate future.

Possible visits backstage to the Philharmonic, Empire, Playhouse, Everyman could be arranged.

List of Prominent Liverpool people throughout the ages under the Forums headings to be compiled.

The next Steering Group meeting to be at the Athenaeum Monday 25th April  
2.00pm. Actions from these Minutes to be agreed and by whom.
